## What does EY Academy of Business offer?

EY Academy of Business has become the ACCA's licensed center for computer-based exams (CBE) in Ukraine in 2015 and was approved to run CBEs which are open to students who attend our trainings and those who are self-studying. CBEs are available for the first seven exams (FA1, MA1, FA2, MA2, FAB, FMA, FFA) within the Foundation-level awards and F1, F2, F3 and F4 (English and Global) from the ACCA Qualification.

## Benefits of CBEs are as follows:

**Flexibility.** Students are not restricted to the paper-based exam sessions as CBEs can be sat at any time of the year. CBE re-sits can also be taken at any time. There is no restriction on the number of times a student can re-sit exams by CBE.

**Instant results.** The student's result is displayed on the computer screen at the end of the exam.

**Results.** Once the student's result has been uploaded by the CBE center it is transferred to the student's ACCA account within 72 hours.
